Sometimes when I reflect back on all the wine I drink, I feel shame. Then I look into the glass and think about the workers in the vineyards and all of their hopes and dreams. If I didn't drink this wine, they might be out of work and their dreams would be shattered. Then I say to myself, "It is better that I drink this wine and let their dreams come true than be selfish and worry about my liver."

A hard drinker, being at the table, was offered grapes for dessert. "Thank you," said he, pushing the dish away from him, "but I am not in the habit of taking my wine in pills"

Anthelme Brillat-Savarin from "The Physiology of Taste"

COCKTAILS

Pre- Pear to Sparkle

A refreshing combination of absolut pear, limoncello and fresh pear juice, all topped up with our house sparkling. A great way to start a night out!

Ab Fab

Named after the English television show, 'Absolutely Fabulous'. Patsy would have adored this mix of smirnoff black, chambord and cranberry juice, topped up with sparkling wine.

Passion of the Point- our signature cocktail

Fresh passion fruit and granny smith apples smashed together with house infused vanilla vodka, cointreau, caramel & cloudy apple juice.

Sour Meltini

Pieces of freshly cut watermelon are carefully muddled and combined with smirnoff black, liqueur de watermelon, limoncello and lemon juice, to create a fresh tasting watermelon martini with a hint of zest.

Lychee Martini

Another twist on a classic cocktail, smirnoff black, paraiso, and fresh lychee juice are shaken into a delightful new martini.

The Point of Chambord

Take some sour cherries, muddle them with lime wedges, add their best friends smirnoff black and chambord then enjoy a delightfully refreshing summer beverage.

Tai me up

A sweet tasting version of the classic "Mai Tai" due to the introduction of the pineapple juice. You'll be 'bound' to your glass as you sip on pampero rum, cointreau and grand marnier, all tied up with fresh lime, grenadine and pineapple juice.

The Jedi

Created a long time ago in a galaxy far, far away. This interesting cocktail combines southern comfort, amaretto and lemon juice for a cocktail we definitely won't need to 'force' you to try.

Bond Martini

Shaken, not stirred. The very cocktail enjoyed by the world famous spy. This martini consists of 3 parts vodka, one part gin, a dash of noilly prat and a lemon twist. The perfect accomplice to a night on the town.

AFTER DINNER COCKTAILS

G.S.N.

Back by popular demand "GSN" is the perfect drink for all occasions. frangelico, crème de cacao and a few secret ingredients along with real peanut butter, creates a drink worth putting back on the menu.
